Reach Out by Hilary Duff & Prophet

Let's go	Reach out and touch me (before I go insane)
So bring your passport, girl	Reach out and touch me (boy don't you make me wait)
I'm trying to show you the world	I'm a diamond and you're so on the money
I know your ex did you bad	Reach out and touch me
But I'm your new perfect man	And all I need is to feel you
Dignity where you stand	Reach out and (13) me
With (1) a touch of my hand	
I'm trying to show you my plan	Let's Go
You got me, girl. I'm a fan	I'm here to play (14) fire
From the (2) that you walked	Your body's my desire
Right throught the door	The time to flirt across the room doesn't expire
Thoughts were (3) in my mind time to explore	'Cuz you a superstar
I tell my friends that I (4) gotta have him	Get in my supercar
Don't look now, cause I see you (5) at him	The paparazzi watchin' us the t-t-tube is on
Then my vision had him walked on in the side	I (15) I took it far
On a mission, for (6) by the end of the	But (16) how good you are
night	And look how (17) you look
It's like a prey (7) games (8) the	One touch, I'm supercharged
hunter	Baby, can't you see how you're affecting me
You better run boy, it's time to surrender	Baby sensual, physical, fantasy
And all I need is to feel you	Maybe, faith brought the two of us closer
All I want is to feel you	Don't you wanna, don't you wanna
Reach out and touch me (before I go insane)	Don't you wanna, don't you wanna
Reach out and touch me (boy don't make me wait)	Reach out and touch me
I'm a diamont and you're so on the money	Reach out and touch me
Reach out and touch me	Reach out (before I go insane)
And all I need is to feel you	And touch me baby (reach out and touch me)
Reach out and touch me	Boy don't you (18) me wait
Like a prayer, your touch can take me there	I'm a diamond and you're so on the money
In my mind, you and me in a secret affair	Reach out and touch me (reach out and touch me)
Boy you're killing me, and you don't (9) know it	And all I need is to (19) you
Tried to hold back but I can't control it	Reach out and (20) me
So I'm stepping to you, skip the how you're doing	
Grab your mind and pull you (10) to me, yeah	
I'll (11) the doors open and than we start kissing	
Boy you're invited to my fantasy	
And all I need is to (12) you	
All I want is to feel you
