From the minute that you walked	I'm here to play with fire
Right throught the door	Your body's my desire
Thoughts were racing in my mind time to explore	The time to flirt across the room doesn't expire
I tell my friends that I just gotta have him	'Cuz you a superstar
Don't look now, cause I see you staring at him	Get in my supercar

On a mission, for position by the end of the night	I know I took it far
It's like a (5) playing games with the hunter	But (9) how good you are
You better run boy, it's time to surrender	And look how good you look
And all I need is to feel you	One touch, I'm supercharged

Reach out and touch me (before I go insane)	Baby sensual, physical, fantasy
