

Fill in the gaps

Nobody (1) me	There's a stranger in my life
When I tell (2) that you're out of your mind	You're not the person that I once knew
Nobody believes me	Are you scared to let them know it's you?
When I tell them that you're so much your hide	If they could only see you (16) I do
You (3) me like a queen (4) we go	Then (17) would see a (18)
out	too
Wanna show everyone (5) our love's about	Such a long way back
All wrapped up in me whenever there is a crowd	From this place we arrived
But when no ones around	When I think of all the time I've wasted
There's no kindness in your eyes	I (19) cry
The way you look at me, it's (6) not right	There's no kindness in (20) eyes
I can (7) what's going on this time	The way you (21) at me, it's (22) not
There's a stranger in my life	right
You're not the person (8) I once knew	I can tell what's (23) on this time
Are you scared to let (9) it's you?	There's a stranger in my life
If (11) I do	You're not the person (24) I once knew
Then they (13) see a stranger too	Are you scared to let them know it's you?
Did I ever do anything (14) was this cruel to you?	If they could only see you like I do
Did I ever make you wonder	Then they would see a (25) too
Who was standing in the room?	There's no kindness in your eyes
You made yourself look perfect in everyway	They way you look at me, it's just not right
So when this goes down	And I can tell what's going on this time
I'm the one that will be blamed	There's a (26) in my life
Your plan is working so you can just walk away	You're the person (27) I once knew
Baby your secret's safe	Are you scared to let them know it's you?
There's no kindness in your eyes	If they could only see you like I do
The way you (15) at me, it's just not right	Then they would see a stranger too
I can tell what's going on this time
