Fill in the gaps

World, Hold On by Bob Sinclar

Open up your heart, what do you feel
Open up your heart
What do you feel is real, yeah
The big bang may be a million years away (oh)
But I can't think of a better time to say
World, hold on
Instead of messing with our future
Open up inside
World, hold on
One day you will have to answer
To the children of the sky
World, (1)_____ on
Come one, everybody in the universe
World, hold on
Wonder you will have to answer
To the children of the sky
(Oh)
Children of the sky
Look inside, you'll find a deeper love
The kind that only comes from (2)_____ above
If you'll ever meet your inner child
Don't cry, no, no
Tell them everything is gonna be alright
World, (3)_____ on
Come one, everybody in the universe
World, hold on
Wonder you (4)_____ have to answer
To the children of the sky
Children of the sky
Don't take no for an answer
No no...
Right here, (5)_____ love
Everybody (6)_____ together now
One voice, one heart
Love and unity, (7)_____ sing
Yeah! (World hold on)
World, hold on
Come one, everybody in the universe
World, hold on
Wonder you will have to answer
To the children of the sky
World, (8)_____ on
Come one, everybody in the universe
World, hold on
Wonder you (9)_____ have to answer
To the children of the sky

Fill in the gaps
