World, Hold On by Bob Sinclar

Fill in the gaps

Open up your heart, what do you feel			Come one, everybody in the universe	
Open up your heart			World, (6) on	
What do you feel is real, yeah			Wonder you will have to answer	
The big bang may be a million years away (oh)			To the (7)	of the sky
But I can't think of a better time to say			Children of the sky	
World, hold on			Don't take no for an answer	
Instead of messing with our future			No no	
Open up inside			Right here, spread love	
World, hold on			Everybody join together now	
One day you will have to answer			One voice, one heart	
To the children of the sky			Love and unity, everybody sing	
World, hold on			Yeah! (World hold on)	
Come one, (1) in the universe			World, hold on	
World, hold on			Come one, everybody in the universe	
Wonder you will have to answer			World, hold on	
To the children of the sky			Wonder you will have to answer	
(Oh)			To the children of the sky	
Children of the sky			World, hold on	
Look inside, you'll find a deeper love			Come one, everybody in the universe	
The (2)	_ that (3)	comes from high above	World, hold on	
If you'll ever meet (4) inner child			Wonder you will (8)	to answer
