

Fill in the gaps

Open up your heart, what do you feel	Come one, (15) in the universe
Open up (1) heart	World, hold on
What do you feel is real, yeah	Wonder you (16) have to answer
The big (2) may be a million years away (oh)	To the (17) of the sky
But I can't (3) of a better time to say	Children of the sky
World, hold on	Don't (18) no for an answer
Instead of messing with our future	No no
Open up inside	Right here, (19) love
World, hold on	Everybody (20) (21) now
One day you will (4) to answer	One voice, one heart
To the children of the sky	Love and unity, (22) sing
World, (5) on	Yeah! (World hold on)
Come one, everybody in the universe	World, hold on
World, (6) on	Come one, everybody in the universe
Wonder you will (7) to answer	World, hold on
To the children of the sky	Wonder you will have to answer
(Oh)	To the (23) of the sky
Children of the sky	World, hold on
Look inside, you'll (8) a (9) love	Come one, (24) in the universe
The (10) that only comes from (11)	World, hold on
above	Wonder you will have to answer
If you'll ever (12) your inner child	To the (25) of the sky
Don't cry, no, no	
Tell (13) is gonna	
be alright	
World, hold on
