

Fill in the gaps

Beating Around The Bush by AC/DC

Smiling face and laughing eyes	And you was talking bees
But you keep on (1) me all those lies	And was he down (13) his knees
How'd you expect me to believe	Beating (14) the bush
Honey I ain't (2) naive	Your the (15) (16) I've ever
Baby I got my eye on you	known
Cause you do all the (3) I want you to	Sticks and stones won't (17) my bones
Stop (4) (5) and dry you tears	I know what you're looking for
I ain't that wet behind the ears	You've eaten your cake you want some more
You can throw me lefts	I'm (18) give you just one (19)
You can (6) me rights	chance
But where was you last night	Try to save our romance
Beating around the bush	I've done (20) I'm gonna do
Wish I knew what was on (7) mind	The rest is up to you
Why you being so unkind	And you can (21) it up
Remember (8) nights we spent alone	And you can (22) it out
Talking on the telephone	Let it all (23) out
Thoughts of you going throw my brain	Beating around the bush
You (9) me (10) you felt the same	Chew it up
You (11) that you loved me too	Spit it out
But tell me who was there (12) you	Let it all (24) out
I was talking birds	Beating (25) the bush

- 1. telling
