

Children don't stop dancing

## Fill in the gaps

At times life is wicked and I (1) can't see the light	Believe you can fly
A silver lining sometimes isn't enough	Away, away
To make some wrongs (2) right	Am I hiding in the shadows?
Whatever life brings	Forget the pain and (5) the sorrows
I've been through everything	Am I (6) in the shadows?
And know I'm on my knees again	Forget the pain and forget the sorrows
But I know I must go on	But I know I must go on
Although I hurt I must be strong	Although I hurt I must be strong
Because inside I know that many feel this way	Because inside I know that many (7) this way
Children don't stop dancing	Children don't stop dancing
Believe you can fly	Believe you can fly
Away, away	Away, away
At times life's unfair and you know it's (3) to see	Children don't (8) dancing
Hey God I know I'm (4) a dot in this world	Believe you can fly
Have you forgot about me?	Away, away
Whatever life brings	Children don't stop dancing
I've been through everything	Believe you can fly
And know I'm on my knees	Away, away
But I know I must go on	Am I (9) in the shadows?
Although I hurt I must be strong	Are we hiding in the shadows?
Because inside I know that many feel this way
