

## Fill in the gaps

	Cause rm (15) or drifting round
Can anybody hear me?	And round
Am I talking to myself?	Can I please come down?
My mind is (1) empty	Now I lie (16) and (17) in a zero
In the search for someone else	gravity
Who doesn't (2) right through me	And it's starting to (18) (19) on me
It's all just static in my head	Let's abort this mission now
Can anybody tell me why	Can I please come down?
I'm lonely like a satellite?	So tonight I'm calling all astronauts
'Cause tonight I'm feeling (3) an astronaut	Calling lonely (20) that the world forgot
Sending SOS (4) this tiny box	If you (21) my (22) come pick me up
And I lost all signal when I lifted up	Are you out there?
Now I'm (5) out here and the world forgot	'Cause you're all I've got!
Can I please come down	And tonight I'm feeling like an astronaut
'Cause I'm (6) of drifting round	Sending SOS from this tiny box
And round	And I lost all (23) when I lifted up
Can I (7) come down?	Now I'm (24) out here and the (25)
I'm (8) from all the silence	forgot
Is it something (9) I've done?	'Cause tonight I'm feeling like an astronaut
I know that there are millions	Sending SOS from this tiny box
I can't be the only one who's so disconnected	To the lonely people that the world forgot
It's so different in my head	Are you out there?
Can (10) tell me why	'Cause you're all I've got!
I'm (11) a satellite?	Can I please (26) down?
'Cause (13) I'm feeling like an astronaut	'Cause I'm tired of drifting round and round
Sending SOS (14) this tiny box	Can I please come down?
And I lost all signal when I lifted up	Can I please come down?
Now I'm stuck out here and the world forgot	Can I (27) come down?
Can I please come down?
