

Fill in the gaps

I'd go beyond our fighting borders	'Cause I have sailed a thousand ships to you
If you needed that from me	But my messages don't seem to make it through
And I'd march with decorated soldiers	Well money and fame
To get (1) pretty eyes to see	They are losing game
Well, I would (2) your morning coffee	And I know those (6) actresses
Then I'd wrap you up in me	Are (7) your name
I'd kiss your belly and your shoulders	But I'll be here waiting
Cover blankets on our feet	I'll always be the same
So slow down	If you'd let me in again
There's some kind of blessing here	Da da da da
But you have missed your cue	Da da da da
So keep your eyes set	Da da da da
On the horizon, on the (3) where blue	Da da da da
(4) blue	Da da da da
And I'd bet, that silver lining	Da da da da
Well I know it'd find you soon	So keep your eyes set
Because I have sailed a Thousand Ships to you	On the horizon, on the (8) where blue meets blue
But my messages don't seem to make it through	And I'd bet, that silver lining
Well I would bring your morning coffee	Well, I know it'd find you soon
Then I'd wrap you up in me	Keep your eyes set
I'd kiss (5) belly and your shoulders	On the horizon, on the line where blue meets blue
Cover blankets on our feet	And I'd bet, (9) silver lining
But slow down	Well I know it'd find you soon
There's some sort of blessing here	'Cause I have sailed a thousand ships to you
But you've gone and missed your cue	But my messages don't seem to (10) it through
So keep your eyes set	
On the horizon, on the line where blue meets blue	
And I'd bet, that silver lining	
Well I know it'd find you soon
