

Fill in the gaps

I'd go beyond our fighting borders	'Cause I have sailed a thousand ships to you	
If you needed that from me	But my messages don't seem to make it through	
And I'd march (1) (2)	Well money and fame	
soldiers	They are losing game	
To get your pretty eyes to see	And I know those pretty actresses	
Well, I would bring your morning coffee	Are calling your name	
Then I'd wrap you up in me	But I'll be here waiting	
I'd kiss your belly and your shoulders	I'll always be the same	
Cover blankets on our feet	If you'd let me in again	
So slow down	Da da da da	
There's some kind of blessing here	Da da da da	
But you have missed your cue	Da da da da	
So keep your eyes set	Da da da da	
On the horizon, on the (3) where (4)	Da da da da	
meets blue	Da da da da	
And I'd bet, that silver lining	So keep your eyes set	
Well I know it'd (5) you soon	On the horizon, on the line where blue meets blue	
Because I have sailed a Thousand Ships to you	And I'd bet, that silver lining	
But my messages don't seem to make it through	Well, I (9) it'd find you soon	
Well I would bring your morning coffee	Keep your eyes set	
Then I'd wrap you up in me	On the horizon, on the line (10) blue meets	blue
I'd kiss your belly and your shoulders	And I'd bet, that silver lining	
Cover blankets on our feet	Well I know it'd find you soon	
But slow down	'Cause I have sailed a thousand ships to you	
There's some sort of blessing here	But my messages don't seem to make it through	
But you've gone and missed your cue		
So keep your (6) set		
On the horizon, on the line (7) blue meets blue		
And I'd bet, that silver lining		
Well I (8) it'd find you soon
