

Fill in the gaps

Day after day	But sooner or later I gotta choose
Time pass away	And once (17) I'm (18)
And I (1) can't get you off my mind	about
Nobody knows, I (2) it inside	Taking the easy way out
I keep on searching but I can't find	But if I let you go
The (3) to show	I will never know
To (4) you know	What my (19) would be
I've (5) (6) so much (7)	Holding you (20) to me
before	Will I ever see
And (8) (9) I'm thinking about	You smiling (21) at me (oh yeah)
Taking the easy way out	How will I know?
But if I let you go	If I let you go
I will never know	If I let you go
What my life would be	(Oh baby)
Holding you close to me	Once again I'm thinking about
Will I (10) see	Taking the (22) way out
You (11) back at me (oh yeah)	But if I let you go
How will I know?	I (23) know
If I let you go	What my (25) would be
Night (12) night	Holding you close to me
I (13) (14) sayin'	Will I ever see
Why can't (15) feeling just (16) away?	You smiling back at me
There's no one like you	How will I know?
You speak to my heart	If I let you go
It's such a shame we're worlds apart	
I'm too shy to ask	
I'm too proud to lose
