

Through my rise and fall

Fill in the gaps

With (1) happening today	You've been my only friend
You don't know whether you're coming or going, but	You told me that they can
You think that you're on your way	Understand the man I am
Life (2) up on the mirror don't blow it	So why are we here talking to each other again
Look at me when I'm (3) to you	Looking at me now I can see my past
You're looking at me but I'm looking through you	Damn I look just like my fucking dad
I see the blood in your eyes	Light it up, that's smoke at mirrors
I see the (4) in disguise	I even (7) good in the broken mirror
I see the pain hidden in your pride	I see my momma smile, that's a blessin'
I see you're not satisfied	I see the change, I see the message
And I don't see nobody else	And no message could've been any clearer
I see myself	So I'm stared with the man in the
I'm looking at the	Mirror on the wall (MJ told me that)
Mirror on the wall	Here we are again
Here we are again	Through my rise and fall
Through my (5) and fall	You've been my only friend
You've been my only friend	You told me that they can
You told me that (6) can	Understand the man I am
Understand the man I am	So why are we talking to each other again
So why are we here talking to each other again	Mirror on the wall
Oh, I see the truth in your lies	Here we are again
I see nobody by your side	Through my rise and fall
But I'm with you when you're all alone	You've been my only friend
And you correct me when I'm looking wrong	You told me that they can
I see that guilt beneath the shame	Understand the man I am
I see your soul through your window pain	So why are we (8) talking to each other again
I see the scars that remain	Mirror on the wall
I see you Wayne, I'm looking at the	
Mirror on the wall	So why are we (9) to each other again
Here we are again
