

Fill in the gaps

Sitting in the dark, I can't forget	So when I got away, I only kept my scars
Even now, I realize the time I'll never get	The other me is gone
Another story of the Bitter (1) of Fate	Now I don't know where I belong
I can't go back again	We were never alive, and we won't be born again
I can't go (2) again	I'll (6) survive with (7) memories in
But you asked me to love you and I did	my heart
Traded my emotions for a contract to commit	Dead memories in my heart
And when I got away, I only got so far	Dead (8) in my heart
The other me is dead	Dead memories in my heart
I hear his voice (3) my head	Dead Visions in your name
We were never alive	Dead Fingers in my veins
And we won't be born again	Dead Memories in my heart
I'll never survive with (4) memories in my heart	Dead memories in my heart
Dead (5) in my heart	Dead memories in my heart
Dead memories in my arms	Dead (9) in my heart
You told me to love you and I did	
Tied my soul into a knot and got me to submit
