

Fill in the gaps

Do you know what's worth fighting for?		You and I
When it's not worth (1) for?		(Did you)
Does it take your breath away?		Did you try to (7) on your own?
And you feel yourself suffocating?		(When you)
Does the pain weigh out the pride?		When you burned down the house and home?
And you look for a place to hide?		(Did you)
Did someone break your (2)	inside?	Did you stand too close to the fire?
You're in ruins		Like a liar looking for forgiveness
One, twenty-one guns		From a stone
Lay down (3) arms		When it's time to (8) and let die
Give up the fight		And you can't get another try
One, twenty-one guns		Something inside this heart has died
Throw up your arms into the sky		You're in ruins
You and I		One, twenty-one guns
When you're at the end of the road		Lay down your arms
And you lost all sense of control		Give up the fight
And your thoughts have taken (4)	toll	One, twenty-one guns
When your mind breaks the spirit of (5) soul		Throw up your arms into the sky
Your faith walks on broken glass		One, twenty-one guns
And the (6) doesn't	pass	Lay (9) (10) arms
Nothing's ever built to last		Give up the fight
You're in ruins		One, twenty-one guns
One, twenty-one guns		Throw up your arms into the sky
Lay down your arms		You and I
Give up the fight		
One, twenty-one guns		
Throw up your arms into the sky
