Other Side Of The World by KT Tunstall

Over the sea and far away

She's waiting (1)_____ an iceberg

Waiting to change

But she's cold inside

She wants to be like the water

All the muscles (2)_____ in her face

Buries her soul in one embrace

They're one and the same just like water

The fire fades away

Most of everyday

Is full of tired excuses

But it's too hard to say

I wish it were simple

But we give up easily

You're close enough to see that

You're the other side of the world to me

On comes the panic light

Holding on with fingers and feelings alike

But the time has come

To move along

And the (3)_____ fades away

Most of everyday

Is (4)_____ of tired excuses

But it's too (5)_____ to say

I wish it (6)_____ simple

But we give up easily

You're (7)_____ enough to see that

You're the other side of the world to me

Can you help me?

Can you let me go?

And can you still love me?

When you can't see me anymore

And the fire (8)_____ away

Most of everyday

Is full of tired excuses

But it's too hard to say

I wish it were simple

But we give up easily

You're close enough to see that

You're the other side of the world
