Billionaire by Travie McCoy & Bruno Mars

I wanna be a billionaire, so fucking bad	I'll be playing basketball with the president
Buy all of the things I never had	Dunking on his delegates
I wanna be on the cover of Forbes magazine	Then I'll compliment him on his political etiquette
Smiling next to Oprah and the Queen	Toss a couple milli in the air just for the heck of it
Oh every time I close my eyes	But keep the fives, twentys completely separate
I see my name in shining lights	And yeah I'll be in a (6) new tax bracket
(Yeah)	We in recession but let me take a crack at it
A different city every night	I'll probably take whatevers left and just split it up
Oh I, I swear, the world better prepare	So everybody that I love can have a couple bucks
For when I'm a billionaire	And not a single tummy around me
Yeah I would have a show like Oprah	Would know what hungry was
I would be the host of, everyday Christmas	Eating good sleeping soundly
Give Travie a wish list	I know we all have a similar dream
I'd probably pull an Angelina and Brad Pitt	Go in your pocket pull out (7) wallet
And adopt a bunch of babies that ain't never had shit	And put it in the air and sing
Give away a few Mercedes like "here lady have this"	I wanna be a billionaire so fucking bad
And last but not least grant somebody their last wish	Buy all of the (8) I never had
It's been a couple months that I've (1) single so	I wanna be on the (9) of Forbes magazine
You can call me Travie (2) minus the (Ho Ho)	Smiling next to Oprah and the Queen
(Hehe), get it, I'd probably visit where Katrina hit	Oh every time I close my eyes
And damn sure do a lot more than FEMA did	I see my name in shining lights
Yeah, can't forget (3) me stupid	(Oh yea-yeah)
Everywhere I go I'ma have my own theme music	A different city every night
Oh every time I close my eyes	Oh I, I swear, the world (10) prepare
I see my name in shining lights	For when I'm a billionaire
A different city every night	(Oh oooh oh oooh)
Oh I, I swear the (4) better prepare	When I'm a billionaire
For when I'm a billionaire	(Oh oooh oh oooh)
