

## Fill in the gaps

I know I can't take one more step (1)	you	Who do you think you are
Cause all that's waiting is regret		Dear, it took so long (5) to feel alright
And don't you (2) I'm not (3)	ghost	Remember how to put (6) the light in my eyes
anymore		I wish I had missed the first time that we kissed
You lost the love I loved the most		Cause you (7) all your promises
I learned to live half alive		And now you're back
And now you want me one more time		You don't get to get me back
And who do you think you are		And who do you think you are
Running 'round leaving scars		Running 'round leaving scars
Collecting your jar of hearts		Collecting your jar of hearts
And tearing love apart		And tearing love apart
You're gonna catch a cold		You're (8) catch a cold
From the ice inside your soul		From the ice inside your soul
So don't come back for me		So don't come (9) for me
Who do you (4) you are		Don't come back at all
l hear you're asking all around		And who do you think you are
If I am anywhere to be found		Running 'round leaving scars
But I have grown too strong		Collecting your jar of hearts
To ever fall back in your arms		And tearing love apart
And learn to live half alive		You're gonna catch a cold
And now you want me one more time		From the ice inside your soul
And who do you think you are		Don't come back for me
Running 'round leaving scars		Don't (10) back at all
Collecting your jar of hearts		Who do you think you are?
And tearing love apart		Who do you think you are?
You're gonna catch a cold		Who do you think you are?
From the ice inside your soul		
So don't come back for me
