

Fill in the gaps

As I lay me down	In you I can be strong
Heaven hear me now	I look to you
I'm lost without a cause	I look to you
After giving it my all	And when (8) are gone
Winter storms have come	In you I hear a song
And (1) my sun	I (9) to you
After all (2) I've been through	(My levees are broken)
Who on (3) can I (4) to?	(My walls have come)
I look to you	Tumbling down on me (tumbling down on me)
I look to you	All the rain is (10) (the rain is falling
After all my (5) is gone	(Defeat is calling)
In you I can be strong	Set me free (I need you to set me free)
I (6) to you	Take me far away from the battle
I look to you	I need you
And when melodies are gone	Shine on me
In you I hear a song	I look to you
I look to you	I look to you
About to lose my breath	After all my strength is gone
There's no more fighting left	In you I can be strong
Sinking to rise no more	I look to you
Searching for that (7) door	I look to you
And every road that I've taken	And when melodies are gone
Lead to my regret	In you I hear a song
And I don't know if I'm gonna make it	I look to you
Nothing to do but lift my head	I look to you
I look to you	I look to you
I look to you	
And when all my strength is gone
