

And when all my strength is gone

## Fill in the gaps

As I lay me down	In you I can be strong
Heaven (1) me now	I look to you
I'm (2) without a cause	I look to you
After giving it my all	And (5) (6) are gon-
Winter storms have come	In you I hear a song
And darkened my sun	I look to you
After all that I've been through	(My levees are broken)
Who on Earth can I turn to?	(My walls have come)
I look to you	Tumbling down on me (tumbling down on me)
I look to you	All the (7) is falling (the rain is falling)
After all my strength is gone	(Defeat is calling)
In you I can be strong	Set me free (I need you to set me free)
I look to you	Take me far away from the battle
I look to you	I need you
And when melodies are gone	Shine on me
In you I hear a song	I look to you
I (3) to you	I (8) to you
About to (4) my breath	After all my strength is gone
There's no more fighting left	In you I can be strong
Sinking to rise no more	I look to you
Searching for that open door	I look to you
And every road that I've taken	And when melodies are gone
Lead to my regret	In you I hear a song
And I don't know if I'm gonna make it	I look to you
Nothing to do but lift my head	I (9) to you
I look to you	I look to you
I look to you
