# Fine by Whitney Houston

Fine by Whitney Houston
It's Fine
Fine, fine, fine, fine
It's alright
Had a dream last night
That the world stopped turning
But your madness, it kept on
Guess I wasn't too bright
And I really wasn't learning
Should have seen it all along
All those sweet (sweet), sweet kisses (yeah)
And those sweet (sweet) red roses (yeah)
They convinced me that it was you
I made you (you) exclusive (yeah)
Now it's so (now it's conclusive that) conclusive
That you wasn't doing it too
If you'd told me from the start that you're playing
Around it would have been fine
It would have (1) fine
Then I would have played too and I guess
I (2) have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
Then I (3) (4) played too and I guess
I would have had a good time
Something didn't feel right
And I wish I knew it
I just could not see your games
I got respect for you
And you put me through it

I would (5) love for you, 'cause I did adore you
While my dogs would chew you out
Tried to be so nice on those lonely nights
(On (6) lonely, lonely, lonely nights)
But I should have figured you out
If you'd told me from the start that you're playing
Around it would have (7) fine
It would have been fine
Then I would have played too and I guess
I would have had a good time
I would have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
It would have been you baby
Then I would have played too and I guess
I would have had a good time
Baby you're so fine
(You are the one that I love)
You are so fine
(Your (8) was sent from above)
You are so
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)
(So doggone fine)
Baby you're so fine
(You are the one that I love)
You are so fine, fine
(Your love was sent from up above)
Oh you're mall of mine
(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

If you'd told me from the start that you're playing
Around it would have been fine
If you told me
Then I (9) have played too and I guess
I would have had a good time
Feel good time, feel good time
Feel good time, feel good time
If you'd told me from the start that you're playing
Around it would have been fine
Had a real good time, boy now
Then I would have played too and I guess
I (10) have had a good time
I guess I would have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
It would have been fine, boy
Then I would have played too and I guess
I would have had a good time
If you'd told me from the start that you're playing
Around it would have been fine
It's fine, it's fine, it's fine
Then I would have played too and I guess

I would have had a good time
