

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And (1)_____ (2)_____ (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't (3)_____ it too

If you'd told me (4)_____ the start that you're playing

Around it would have been fine

It would have been fine

Then I would (5)_____ played too and I guess

I (6)_____ have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I (7)_____ could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so (8)_____ on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a (9)_____ time

If you'd told me from the (10)_____ that you're playing

Around it would have been fine

It would have been you baby

Then I would have played too and I guess

I would have had a (11)_____ time

Baby you're so fine

(You are the one that I love)

You are so fine

(Your love was sent (12)_____ above)

You are so

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(Your (13)_____ was sent from up above)

Oh (14)_____ mall of mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

Fill in the gaps

(So doggone fine)

(You are the one that I love)

(Your love was sent from up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine)

If you'd (15)_____ me from the (16)_____ that you're playing

Around it would have been fine

If you (17)_____ me

Then I would have played too and I guess

I (18)_____ have had a (19)_____ time

Feel good time, feel good time

Feel good time, feel good time

If you'd told me from the start that you're playing

Around it would have (20)_____ fine

Had a real good time, boy now

Then I would have played too and I guess
