

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a (1)_____ last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should (2)_____ seen it all along

All those sweet (sweet), sweet kisses (yeah)

And (3)_____ sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's (4)_____ that) conclusive

That you wasn't doing it too

If you'd (5)_____ me from the (6)_____ that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I (7)_____ I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so (8)_____ pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so (9)_____ on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me (10)_____ the start that you're playing

Around it would have been fine

It would have been fine

Then I (11)_____ (12)_____ played too and I guess

I would have had a (13)_____ time

If you'd told me from the start that you're playing

Around it (14)_____ (15)_____ been fine
