

## Fill in the gaps

### Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world (1)\_\_\_\_\_ turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet (2)\_\_\_\_\_ (yeah)

And (3)\_\_\_\_\_ sweet (sweet) red roses (yeah)

They convinced me (4)\_\_\_\_\_ it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have (5)\_\_\_\_\_ too and I guess

I would (6)\_\_\_\_\_ had a good time...

Something didn't feel right

And I wish I knew it

I just could not see (7)\_\_\_\_\_ games...

I got respect for you

And you put me through it

## Fill in the gaps

Why would you bring me so much pain

I (8)\_\_\_\_\_ stil love for you, 'cause I did adore you

While my dogs (9)\_\_\_\_\_ chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have (10)\_\_\_\_\_ you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would (11)\_\_\_\_\_ had a good time

If you'd (12)\_\_\_\_\_ me (13)\_\_\_\_\_ the start that you're playing
