

## Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a (1)\_\_\_\_\_ (2)\_\_\_\_\_ night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet (3)\_\_\_\_\_ (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd (4)\_\_\_\_\_ me from the start that you're playing

Around it would have been fine

It would have been fine

Then I (5)\_\_\_\_\_ have played too and I guess

I would (6)\_\_\_\_\_ had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I (7)\_\_\_\_\_ I knew it

I just (8)\_\_\_\_\_ not see your games...

I got (9)\_\_\_\_\_ for you

And you put me through it

## Fill in the gaps

Why would you bring me so (10)\_\_\_\_\_ pain

I would stil love for you, 'cause I did (11)\_\_\_\_\_ you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I (12)\_\_\_\_\_ have figured you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a (13)\_\_\_\_\_ time

I would have had a good time

If you'd told me (14)\_\_\_\_\_ the (15)\_\_\_\_\_ that you're playing

Around it would have been fine

It (16)\_\_\_\_\_ have been you baby

Then I would have played too and I guess

I would have had a good time

Baby you're so fine

(You are the one that I love)

You are so fine

(Your (17)\_\_\_\_\_ was sent from above)

Feel good time, (22)\_\_\_\_\_ good time

Then I would have played too and I guess
