Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), (1)_____ kisses (yeah)

And those (2)_____ (sweet) red roses (yeah)

They convinced me that it was you

I (3)_____ you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It (4)_____ have (5)_____ fine

Then I would have played too and I guess

I would have had a (6)_____ time...

If you'd told me from the start that you're playing

And you put me through it

Why would you bring me so much pain

I would stil love for you, 'cause I did (10)_____ you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have figured you out

If you'd told me from the start that you're playing
