

Fill in the gaps

Well, I was young but I wasn't naive		After all this time
I watched helpless		I never thought we'd be here
As you (1) around to leave		Never thought we'd be here
And still I have the pain I have to carry		When my love for you is blind
A past so deep		But I couldn't make you see it
That even you (2) not (3	3) if you	Couldn't make you see it
tried		That I loved you more than you'll ever know
		A part of me died when I let you go
After all (4) time		After all this why
I never thought we'd be here Never thought we'd be here		Would you ever wanna leave it
		Maybe you could not (7) it
When my love for you is blind		That my love for you is blind
But I couldn't (5) you see it		But I couldn't (8) you see it
Couldn't make you see it		Couldn't make you see it
Well, I would fall asleep		That I loved you more than you'll ever know
Only in hopes of dreaming		When a part of me died when I let you go
That everything (6) be like it	was before	That I (9) you more than you'll ever know
But nights like this		When a part of me died when I let you go
It seems are slowly fleeting		
They dissapear as reality is crashing to the	floor
