Try Sleeping With A Broken Heart by Alicia Keys

	You know that I'll always be in love with you
Even if you were a million (1) away	Right til the end
I could still feel you in my bed	So tonight
Near me, touch me, feel me	I'm gonna find a way to make it without you
And even in the bottom of the sea	Tonight
I can still hear (2) my head	I'm gonna find a way to make it without you
Telling me, touch me, feel me	I'm gonna hold onto the times that we had
And all the time you were telling me lies	Tonight
So tonight	I'm gonna find a way to make it without you
I'm gonna find a way to make it without you	Anybody could have told you right from the start
Tonight	It's bout (9) apart
I'm (3) (4) a way to make it without	So rather than hold onto a broken dream
you	Or just hold onto love
I'm gonna (5) onto the times (6) we had	And I could find a way to make it
Tonight	Don't hold on too tight
I'm gonna find a way to make it without you	I'll make it without you tonight
Have you ever tried sleeping with a broken heart	So tonight
Well you can try sleeping in my bed	I'm gonna find a way to make it without you
Lonely, only, nobody ever shut it down like you	Tonight
You wore the crown	I'm gonna find a way to make it without you
You make my body feel heaven-bound	I'm gonna hold onto the times (10) we had
Why don't you hold me	Tonight
Need me, I thought you (7) me	I'm gonna find a way to make it without you
You'd never leave me	
Looking in the sky I can see your face	
And i (8) right where I'd fit in
