Fill in the gaps

Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's become something that's impossible to ignore
Someone's gotta (1) the (2) tonight	It's what we make it
Who's it gonna be?	I was wondering maybe
I'm gonna sit (3) here	Could I make you my baby
And tell you all (4) (5) to me	If we do the un-thinkable will it make us look crazy
If you have something to say	Or would it be so beautiful either way I'm sayin
You should say it right now	If you ask me I'm ready
(You should say it right now)	If you ask me I'm ready
You (6) me a (7) (8)	Why give up before we try
I (9) felt before	Feel the (21) (22) the highs
And I (10) it, I know I deserve it	Clip our wings before we fly away
It's becoming (11) that's	I can't say I can't compare
(12) to ignore	I'm suspended in the air
And I can't take it	Won't you come be in the sky (23) me?
I was wondering maybe	
Could I (13) you my baby	I was wondering maybe
If we do the un-thinkable will it make us look crazy	Could I make you my baby
If you ask me I'm ready	If we do the un-thinkable will it (24) us look craz
If you ask me I'm ready	Or would it be so beautiful either way I'm sayin
I (14) you said to me	If you ask me I'm ready
"This is exactly how it (15) feel	If you ask me I'm ready
When it's meant to be"	If you ask me I'm ready
Time is only wasting so why wait for eventually	If you ask me I'm ready
If we gonna do something (16) it	
We (17) do it right now	
(We should do it right now)	
You give me a (18) that I never	
(19) before	
And L (20) it I know I deserve it
