And I deserve it, I know I deserve it

Fill in the gaps

Un-Thinkable (I'm Ready) by Alicia Keys

Moment of honesty	It's become something that's impossible to ignore
Someone's (1) (2) the lead tonight	It's what we (7) it
Who's it gonna be?	I was wondering maybe
I'm gonna sit right here	Could I make you my baby
And (3) you all that comes to me	If we do the un-thinkable will it make us look crazy
If you have something to say	Or would it be so (8) either way I'm
You should say it right now	sayin
(You should say it right now)	If you ask me I'm ready
You give me a feeling that I never (4) before	If you ask me I'm ready
And I deserve it, I know I deserve it	Why give up before we try
It's becoming something that's (5)	Feel the lows before the highs
to ignore	Clip our (9) before we fly away
And I can't take it	I can't say I can't compare
I was wondering maybe	I'm suspended in the air
Could I make you my baby	Won't you come be in the sky with me?
If we do the un-thinkable will it make us look crazy	
If you ask me I'm ready	I was wondering maybe
If you ask me I'm ready	Could I make you my baby
I know you said to me	If we do the un-thinkable (10) it make us look crazy
"This is exactly how it should feel	Or would it be so beautiful either way I'm sayin
When it's meant to be"	If you ask me I'm ready
Time is only wasting so why wait for eventually	If you ask me I'm ready
If we gonna do something about it	If you ask me I'm ready
We should do it (6) now	If you ask me I'm ready
(We should do it right now)	
You give me a feeling that I never felt before
