Comfortably Numb (Cover) by Staind

Hello	It just a little pinprick
Is there anybody in there?	There'll be no more (ahh)
Just nod if you can (1) me	You may feel a little sick
Is there (2) at home?	Can you stand up?
Come on, now	I do (6) it's working, good
I hear you're feeling down	That'll (7) you going for the show
I can ease your pain	Come on, it's time to go
Get you on your feet again	There is no pain, you are receiving
Relax	A (8) ships smoke on the horizon
Need some information first	You're (9) coming (10) in waves
Just the basic facts	Your lips move
Can you (3) me where it hurts?	But I can't hear what you're saying
There is no pain, you are receiving	I was a child
A distant ships smoke on the horizon	I caught a fleeting glimpse
You're only (4) through in waves	Out of the corner of my eye
Your lips move	I turned to look but it was gone
But I can't hear what you're saying	I cannot put my finger on it now
I was a child, I caught a fever	The child is grown, the dream is lost
My hands felt just like two balloons	And I have become comfortably numb
Now I've got that (5) once again	I have become comfortably numb
Can't explain, you would not understand	
This is not how I am	
I have become comfortably numb
