

Fill in the gaps

I can't make my own decisions	I might have to bend it back
Or (1) any (2) precision	Or (18) it, break it off
Well (3) you (4) tie me up	Next time you point a finger
So I don't go (5) you don't want me	I'll point you to the mirror
You say that I been changing	This is the (19) second chance
That I'm not just simply aging	(I'll point you to the mirror)
Yeah, how (6) that be logical?	I'm half as good as it gets
Just (7) on cramming (8) down my	(I'll (20) you to the mirror)
throat	I'm on both sides of the fence
(Oh oh oh ohhhh)	(I'll point you to the mirror)
You don't have to believe me	Without a (21) of regret
But the way I, way I see it	I'll hold you to it
Next time you point a finger	I know you don't believe me
I might have to (9) it back	But the way I, way I see it
Or (10) it, break it off	Next time you point a finger
Next time you (11) a finger	I might have to bend it back
I'll (12) you to the mirror	Or (22) it, break it off
If God's the (13) that you're playing	Next time you point a finger
Well we must get more acquainted	I'll point you to the mirror
Because it has to be so lonely	I know you won't (23) me
To be the only one who's holy	But the way I, way I see it
It's just my humble opinion	Next time you (24) a finger
But it's one that I believe in	I might have to bend it back
You don't (14) a (15) of view	Or break it, break it off
If the only (16) you see is you	Next time you (25) a finger
(Oh oh oh ohhhh)	I'll (26) you to the mirror
You don't have to (17) me	
But the way I, way I see it	
Next time you point a finger
