## Give Me All Your Luvin' by Madonna & M.I.A. & Nicki Minaj

(L-U-V Madonna)	Give me all your love and give me your love
(Y-O-U you wanna)	Give me all your love today
I see you coming and I don't wanna (1) your name	Give me all your love and give me your love
(L-U-V Madonna)	Let's forget about time
I see you coming	And dance our lives away
And you're (2) have to change the game	(Give me all your love boy) Give me all your (9)
(Y-O-U you wanna)	boy
Would you like to try?	You could be my boy, you could be my boy toy
Give me a reason why	In the nick of time I could say a sicker rhyme
Give me all that you got	'Cause it's time for change like a nickel or a dime
Maybe you'll do fine	I'm Roman, I'm a barbarian, I'm Conan
As long as you don't lie to me	You was sleeping on me, you were dozin'
And pretend to be what you're not	Now move, I'm goin' in!!
Don't play the stupid game	You have all the L-U-V
'Cause I'm a different kind of girl	I gave you everything you need (now move)
Every record sounds the same	Now it's up to Y-O-U
You've got to step into my world	Are you the one, shall we proceed?
Give me all (3) love and (4) me your	Me eat, licks on sw-sw-swag shit
love	No one gives you this
Give me all (5) love today	It's supersonic, bionic, uranium hit
Give me all your (6) and give me your love	So I break 'em off tricks
Let's forget about time	Let's pray that it sticks
And dance our lives away	Imma say this once, yeah I don't give a shit
(L-U-V Madonna)	Don't play the stupid game
(Y-O-U you wanna)	'Cause I'm a different kind of girl
Keep trying don't give up	Every record sounds the same
It's if you want it bad enough	You've gotta step (10) my world
(L-U-V Madonna)	Give me all your love and give me your love
It's right in front of you	(L-U-V Madonna)
Now tell me what you're thinking of	Give me all your love and give me your love
(Y-O-U you wanna)	(Y-O-U you wanna)
In another place, at a different time	Give me all your love and give me your love
You can be my lucky star	Give me all your love today
We can drink some wine	Give me all your love and give me your love
