

Fill in the gaps

Tell me the wars you're fighting		
Behind the smile you're hiding		
All of the things I know you want to say		
We tried our best to find us		
But there are no (1) to guide us		
I can't sleep beside a stranger now		
And piece by (2) we fall apart		
But every beat (3) my hea	rt	
So I'll just say what you won't say		
And I'll take the blame if it's for your sake		
No (5) back on what you can't save		
So far gone		
Yeah, we're so far gone		
I've tried hard to remember		
This (6) cell used to be a shelter		
Now we're just looking for the best way out		
And I can't fight you anymore		
You're already one foot out the door		
So I'll just say what you won't say
