So Far Gone by James Blunt

Tell me the wars you're fighting
Behind the smile you're hiding
All of the things I (1)_____ you want to say
We tried our best to find us
But there are no lights to guide us
I can't sleep beside a stranger now
And piece by (2)_____ we fall apart
But every beat slows down my heart
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
I've tried hard to remember
This prison cell used to be a shelter
Now we're just looking for the best way out
And I can't (3)_____ you anymore
You're (4)_____ one foot out the door
So I'll just say what you won't say

And I'll take the blame if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
And this is the face of letting go
And (5)_____ are the (6)_____ we already
know
So I'll just say what you won't say
And I'll take the blame if it's for your sake
No turning (7)_____ on what you can't save
So I'll just say (8)_____ you won't say (won't say)
And I'll take the blame if it's for your sake (your sake)
No (9)_____ back on what you can't save
So far gone
Yeah, we're so far gone
Yeah, we're so far gone
So I'll just say what you won't say
