

## Fill in the gaps

She came from Greece	Smoke some (11) and play some pool
She had a thirst for knowledge	Pretend you never went to school
She studied sculpture at Saint (1) College	But still you'll never get it right
That's (2) I	'Cos (12) you're laying in bed at night
Caught her eye	Watching roaches climb the wall
She told me that her dad was loaded	If you called your dad he could stop it all, yeah
I said, "In that case I'll have rum and Coca-Cola"	You'll never live (13) common people
She said, "Fine"	You'll never do (14) common people do
And then in thirty seconds' time, she said	Never (15) like (16) people
"I wanna (3) (4) common people	You'll never watch (17) life slide out of view
I wanna do whatever (5) (6)	And then dance and drink
do	Because there's (18) else to do
Wanna sleep with common people	Sing along with the common people
I wanna sleep with common people like you"	Sing along and it might just get you through
Oh, what else could I do?	Laugh (19) with the (20) people
I said, "I'll, I'll see what I can do"	Laugh along even though they're laughing at you
I (7) her to a supermarket	And the stupid things that you do
I don't know why, but I had to start it somewhere	Because you think that (21) is cool
So it started there	Wanna (22) with (23) people like
I said: "Pretend you've got no money"	you
And she just laughed and said, "Oh, you're so funny"	Wanna live with (24) people like you
I said, "Yeah? Huh	Wanna live (25) common people like you
I can't see anyone else smiling in here	Wanna live with common people like you
Are you sure	Wanna live with common people like you
You wanna live like (8) people	Wanna (26) (27) common people like
You wanna see whatever common people see	you
Wanna sleep (9) common people	Oh, la la la la
You wanna sleep with common people like me?"	Oh, la la la la
But she didn't understand	Oh, la la la la la la
She just smiled and held my hand	Oh, yeah
Rent a flat (10) a shop	
Cut your hair and get a job
