Common People by Pulp

Cut your hair and get a job

Fill in the gaps

She came from Greece	Smoke some fags and play some pool
She had a thirst for knowledge	Pretend you never went to school
She studied (1) at Saint Martins	But still you'll never get it right
College	'Cos when you're laying in bed at night
That's where I	Watching roaches climb the wall
Caught her eye	If you called (5) dad he could stop it all, yeah
She told me that her dad was loaded	You'll never live like common people
I said, "In that case I'll have rum and Coca-Cola"	You'll never do (6) common people do
She said, "Fine"	Never fail (7) common people
And then in thirty seconds' time, she said	You'll never watch your life slide out of view
"I wanna live (2) common people	And then dance and drink
I wanna do whatever common people do	Because there's nothing (8) to do
Wanna sleep with (3) people	Sing along with the common people
I wanna sleep with common people like you"	Sing along and it might just get you through
Oh, what else could I do?	Laugh along with the common people
I said, "I'll, I'll see what I can do"	Laugh along even though they're laughing at you
I took her to a supermarket	And the stupid things that you do
I don't know why, but I had to start it somewhere	Because you think that poor is cool
So it started there	Wanna live with common people like you
I said: "Pretend you've got no money"	Wanna live (9) common people like you
And she just laughed and said, "Oh, you're so funny"	Wanna live with common people like you
I said, "Yeah? Huh	Wanna (10) with common people like you
I can't see anyone else smiling in here	Wanna live with common people like you
Are you sure	Wanna live with common people like you
You wanna live like common people	Oh, la la la la
You wanna see whatever common people see	Oh, la la la la
Wanna sleep (4) common people	Oh, la la la la la la
You wanna sleep with common people like me?"	Oh, yeah
But she didn't understand	
She just smiled and held my hand	
Rent a flat above a shop
