Fill in the gaps

Kristy, Are You Doing Okay? by The Offspring

There's a (1) in time	It (17) goes away
And it's (2) in my mind	Can you (18) strong?
Way back, when we were just kids	Can you go on?
Cause (3) eyes (4) the tale	Kristy, are you (19) okay?
Of an act of betrayal	A rose (20) won't bloom
I knew that somebody did	Winter's kept you
Oh, waves of time	Don't (21) your whole life trying
Seem to wash away the (5) of our crimes	To get (22) what was (23) away
For you this (6) ends	Oh, (24) of time
Can you stay strong?	Seem to rain on innocence left behind
Can you go on?	It never goes away
Kristy, are you doing okay?	(It never goes away)
A rose (7) won't bloom	It never goes away
Winter's (8) you	Can you (25) strong?
Don't waste your whole (9) trying	Can you go on?
To get (10) (11) was taken away	Kristy, are you doing okay?
Though the marks on your dress	A rose that won't bloom
Had (12) neatly repressed	Winter's kept you
I knew that something was wrong	Don't waste your whole (26) trying
And I should have spoke out	To get back what was taken away
And I'm so (13) now	Don't waste (27) (28) life trying
I didn't know	To get back (29) was taken away
Cause we were so young	
Oh, (14) of time	
Seem to rain on (15) (16)	
behind
