## Kristy, Are You Doing Okay? by The Offspring

There's a moment in time	It never goes away
And it's stuck in my mind	Can you stay strong?
Way back, when we (1) just kids	Can you go on?
Cause your eyes told the tale	Kristy, are you doing okay?
Of an act of betrayal	A rose (6) won't bloom
I knew that somebody did	Winter's (7) you
Oh, waves of time	Don't waste your whole life trying
Seem to wash away the scenes of our crimes	To get back (8) was taken away
For you this (2) ends	Oh, clouds of time
Can you stay strong?	Seem to rain on innocence left behind
Can you go on?	It (9) goes away
Kristy, are you doing okay?	(It never goes away)
A rose that won't bloom	It never goes away
Winter's kept you	Can you stay strong?
Don't (3) your whole life trying	Can you go on?
To get back what was taken away	Kristy, are you doing okay?
Though the marks on your dress	A rose that won't bloom
Had been neatly repressed	Winter's kept you
I knew that something was wrong	Don't waste your whole life trying
And I should have (4) out	To get back what was taken away
And I'm so sorry now	Don't (10) your whole life trying
I didn't know	To get back what was taken away
Cause we were so young	
Oh, clouds of time	
Seem to rain on (5) left behind
