Fill in the gaps

One Less Lonely Girl by Justin Bieber

(Alright, let's go)
There's gonna be one (1) (2) girl
(One less lonely girl)
One less lonely girl (one less lonely girl)
There's gonna be one less lonely girl
(One less lonely girl)
One less lonely girl
How many "I told you"s
And "start over"s and shoulders
Have you cried on before
How many promises
Be honest, girl
How (3) tears you let hit the floor
How many bags you packed
Just to take them back
Tell me that: how many either "or"s
But no more
If you let me inside of your world
There'll be one less lonely girl
(Oh, oh, oh)
I saw so many pretty faces
Before I saw you, you
Now all I see is you
I'm coming for you (I'm coming for you)
No, I don't need these other pretty faces
Like I need you
And when you're mine

In the world

There's gonna be one less lonely girl

I'm coming for you, one less lonely girl
I'm coming for you, one less lonely girl
I'm coming for you, one less lonely girl
One less lonely girl
I'm coming for you, I'm gonna put you first
I'm coming for you, I'll show you what you're worth
If you let me inside your world
There's gonna be one less lonely girl
Christmas wasn't merry
Fourteenth of February
Not one of them spent with you
How many (4) dates
Set dinner plates
And he didn't even touch his food
How many torn photographs
Are you taping back
Tell me (5) you couldn't see an open door
But no more
If you let me inside of your world
There'll be one less lonely girl
(Oh, oh, oh)
I saw so many pretty faces
Before I saw you, you
Now all I see is you
I'm coming for you, I'm coming for you
No, I don't need these other pretty faces

Like I need you

In this world

And when you're mine

There's gonna be one less lonely girl

I'm coming for you, one less lonely girl

I'm coming for you, one less lonely girl
I'm coming for you, one (6) lonely girl
One less lonely girl
I'm coming for you, I'm gonna put you first
I'm coming for you, I'll show you what you're worth
If you let me inside (7) world
There's gonna be one less lonely girl
I can fix up your broken heart
I can give you a brand new start
I can make you believe
(Yeah)
I just wanna set one girl
Free to fall, free to fall
Fall in love (with me)
My heart's locked and nowhere I got the key
I'll take her and leave the world
With one less lonely girl
There's gonna be one less lonely girl
(One less lonely girl)
One less lonely girl, one less lonely girl
There's gonna be one less lonely girl
One less lonely girl
One less lonely girl
I'm coming for you, one less (8) girl
I'm coming for you, one less lonely girl
I'm coming for you, one less lonely girl
I'm coming for you, one less lonely girl
I'm coming for you, I'm gonna put you first

I'm coming for you, I'll show you what you're worth

There's gonna be one less lonely girl

If you let me inside your world
There's gonna be one less lonely girl
I'm coming for you, one less lonely girl
(Yeah, yeah) I'm coming for you, one less lonely girl
(Yeah, yeah) I'm coming for you, one less lonely girl
One less lonely girl
I'm coming for you, I'm gonna put you first
I'm (9) for you, I'll show you what you're worth
If you let me inside your world
