## Fill in the gaps

One Less Lonely Girl by Justi
(Alright, let's go)
There's gonna be one less lonely girl
(One less lonely girl)
One less lonely girl (one less lonely girl)
There's gonna be one less lonely girl
(One less lonely girl)
One less lonely girl
How many "I told you"s
And "start over"s and shoulders
Have you cried on before
How many promises
Be honest, girl
How many tears you let hit the floor
How many bags you packed
Just to take them back
Tell me that: how many (1) "or"s
But no more
If you let me inside of your world
There'll be one less lonely girl
(Oh, oh, oh)
I saw so many pretty faces
Before I saw you, you
Now all I see is you
I'm coming for you (I'm coming for you)
No, I don't need these (2) pretty faces
Like I need you
And when you're mine
In the world

There's gonna be one less lonely girl
