I be on the hotline, like erryday	Then I hear vibrations all up in my trunk
Making sure the DJ know what I want him to play	And the bassline be rattling through my seats
You know I got my top back and my beat low	Then that crazy feeling (7) happening Oh
Rocking my stunna shades and turnin' up my radio	I get butterflies when I hear the DJ
Turn up my radio, radio, radio	(Playing the stuff I like)
I think I'm in love with my radio	And I fall (8) in love with every song he plays
Cause it never lets me down	He's got a place in my heart
And I fall in love with my stereo	I think I'm in love with my radio
