I (1) when you use to take me	You've given me such security
On a bike ride everyday on the bayou	No matter what mistakes I know you're there for me
(You remember that? We were inseparable)	You cure my disappointments and you heal my pain
And I (2) when you could do no wrong	You understand my fears and you protected me
You'd come home (3) work	Treasure (7) extraordinary memory and that's
And I jumped in (4) arms when I saw you	why
(I was so excited)	(I want) My unborn son to be like my daddy
I was so happy to see you (so happy to see you)	I want my husband to be like my daddy
Because you loved me I overcome (yeah)	There is no one else (8) my daddy
And I'm so proud of what you've become (yeah)	And I thank you (thank you) for loving me
You've given me such security	Even if my man broke my heart today
No matter what mistakes I know you're there for me	No matter how much pain I'm in I will be okay
You cure my disappointments and you heal my pain	'Cause I got a man in my life that can't be replaced
You understood my fears and you protected me	For this love is unconditional it won't go away
Treasure (5) irreplaceable memory and that's	I know I'm lucky
why	Know it ain't easy
I want my unborn son to be like my daddy	For men who take care of their responsibilities
I want my husband to be like my daddy	Love is overwhelming
There is no one else like my daddy	Lord why did you pick me
And I thank you (thank you) for loving me	Can't stop my tears from falling
I still remember the expression on your face	I love you so much daddy
When you found out I'd been on a date	(Thank you, you've done so much for me)
And had a boyfriend	(I love you, daddy)
(My first boyfriend, you should have seen your face)	I get so emotional daddy, every (9) I think of you
I still remember	I get so emotional daddy, every time I think of you
I caught you crying cause of my tattoo	There is no one else (10) my daddy
Could have said Beyonce I told you so	No one else replace my daddy
Instead you said you'd get one too	
(Even my mama said y'all get one just like mine)	
Words can't (6) my boundless gratitude for	
you	
I appreciate what you do
