

Fill in the gaps

First Floor (ah)	Thought about everything
Room (1) (ah)	I'm so (18) (19) and all
Smells like (2) (let's go)	that
Even (3) (let's go)	Did it again, love
Set your (4) (ah)	I got it all wrong
Bless our (5) (ah)	But it felt so right
I'm in (6) (yes, I know)	I can't (20) it
But it feels (7) heaven	And all the mistakes
Hey!	That went on for too long
You were like one of those guys	Wish (21) was a way
The kind (8) a wandering eyes (hey!)	I could delete it
But I said, "hey what the hell	Eh, eh, eh
Once in my (9) I'll take a ride on the wild side"	Ah, ah, ah
You were so (10) of yourself	Eh, eh, eh
But damn, were you cute, as well (hey!)	Ah, ah, ah
You liked my legs, I liked your moves	It may (22) to you that I am in a place
Anyone could tell that it's (11) to deny that	Where I'm (23) the direction of my life
Did it again, now	But I'm sure that (24) is nothing but a phase
I got it all wrong	Right back at ya, (25) I'll survive
But it (12) so right	It may seem to you that I am in a place
I can't believe it	Where I'm losing the direction of my life
And all the mistakes	But I'm sure that this is nothing but a phase
That went on for too long	Right (26) at ya, cause I'll survive
Wish (13) was a way	Did it again, love
I could delete it	I got it all wrong
Eh, eh, eh	But it (27) so right
Ah, ah, ah	I can't believe it
Eh, eh, eh	And all the mistakes
Ah, ah, ah	That (28) on for too long
Second night in a row	Wish (29) was a way
Back in trouble	I could delete it
I don't get it	Did it again, love
Gotta keep it down	I got it all wrong
Cause the lobby called	Eh, eh, eh
We ignore it (yes, I know)	Ah, ah, ah
Getting better	Eh, eh, eh
Hey!	Ah, ah, ah
When it comes to men it's known	Eh, eh, eh
That I end up choosing wrong	Ah, ah, ah
'Cause I (14) (15) and fall	Eh, eh, eh
The (16) old rock and repeat and go back	Ah, ah, ah
How blind a girl can be	
To miss you hide (17) ring
