California King Bed by Rihanna

Chest to chest
Nose to nose
Palm to palm
We were always just (1)_____ close
Wrist to wrist
Toe to toe
Lips that felt just like the inside of a rose
So how come when I reach out my finger
It feels like more than distance between us
In this california king bed
Were 10000 miles apart
I been california wishing on the stars
For your heart on me
My californa king
Eye to eye
Cheek to cheek
Side by side
You (2)_____ sleeping next to me
Arm in arm
Dusk to dawn
With the curtains drawn
And a (3)_____ last night on these sheets
So how come when I reach out my fingers
It feels like more than distance between us

In this california king bed
We're (4)_____ (5)_____ apart
I'll be california wishing on the stars
For your heart on me
My californa king
Just when I felt (6)_____ giving up on us
You turned around and (7)_____ me one last touch
That made everything feel better
And even then my eyes got wetter
So confused when I asked ask you if you love me
But I don't wanna seem so weak
Maybe I've been California dreaming
In this california king bed
Were 10000 miles apart
California wishing on the stars
For your heart on me
My californa king
My California King
In this california king bed
Were 10000 miles apart
I've been (8)_____ wishing on the stars
For your heart on me
My California king
