

Fill in the gaps

From the day we (1)	on the planet	More to find than can ever be found	
And blinking, step into the sun		But the sun rolling (6) through the sapphire	sky
There's more to be seen than can (2) be seen		Keeps great and small on the endless round	
More to do than can ever be done		In the circle of life	
Some say eat or be eaten		It's the (7) of fortune	
Some say live and let live		It's the leap of faith	
But all are agreed as they join the stampede		It's the band of hope	
You should never take more than you give		Till we (8) our place	
In the circle of life		On the path unwinding	
It's the (3) of fortune		In the circle, the circle of life	
It's the leap of faith		It's the wheel of fortune	
It's the (4) of hope		It's the leap of faith	
Till we find our place		It's the band of hope	
On the path unwinding		Till we find our place	
In the circle, the circle of life		On the path unwinding	
Some of us fall by the wayside		In the circle, the (9) of life	
And some of us soar to the stars		On the path unwinding	
And some of us sail through our troubles		In the circle, the circle of life	
And some have to live with the sca	rs		
There's far too (5) to take	ke in here
