

Fill in the gaps

From the day we arrive on the planet	Mara to find (12)
From the day we arrive on the planet	More to find (13) can ever be found
And blinking, (1) into the sun	But the sun rolling high through the (14)
There's more to be (2) than can (3) be	sky
seen	Keeps (15) and (16) on the
More to do than can (4) be done	endless round
Some say eat or be eaten	In the circle of life
Some say (5) and let live	It's the (17) of fortune
But all are agreed as (6) join the stampede	It's the (18) of faith
You should never take (7) than you give	It's the (19) of hope
In the (8) of life	Till we find our place
It's the wheel of fortune	On the (20) unwinding
It's the leap of faith	In the circle, the circle of life
It's the band of hope	It's the wheel of fortune
Till we find our place	It's the leap of faith
On the (9) unwinding	It's the (21) of hope
In the circle, the circle of life	Till we find our place
Some of us fall by the wayside	On the (22) unwinding
And some of us (10) to the stars	In the circle, the (23) of life
And some of us sail through our troubles	On the path unwinding
And (11) have to live (12) the scars	In the circle, the (24) of life
There's far too much to take in here
