We could have had it all...

### Fill in the gaps

#### Rolling In The Deep (Cover) by Linkin Park

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's bringing me out the dark	You had my heart inside your hand
Finally I can see you (1) clear	But you played it to the beat
Go ahead and sell me out and a I'll lay your ship bare	We could (5) had it all
See how I'll leave with every piece of you	Rolling in the deep
Don't underestimate the things that I will do	You had my heart inside of your hand
There's a fire starting in my heart	But you (6) it with a beating
Reaching a fever pitch and it's bring me out the dark	Throw your soul through every (7) door
The scars of your love remind me of us	Count your blessings to find what you look for
They keep me thinking that we almost had it all	Turn my sorrow into treasured gold
The scars of your love, they leave me breathless	You pay me back in kind
I can't help feeling	And reap just what you sow
We could have had it all	
Rolling in the deep	You're gonna wish you never had met me
You had my heart inside your hand	Tears are gonna fall
And you played it to the beat	Rolling in the deep
Baby, I have no story to be told	You're gonna wish you
But I've heard one on you	We could have had it all
And I'm gonna make your head burn	We could have had it all
See me in the depths of your despair	Rolling in the deep
Making a home down there	You had my heart inside of (8) hand
'Cause mine sure won't be shared	But you played it
The scars of your (2) remind me of us	You played it
They (3) me thinking that we almost had it all	You (9) it
The scars of your love, (4) leave me breathless	You played it to the beat
I can't help feeling
