Fill in the gaps

When I get older
I will be stronger
They'll call me freedom
Just (1) a wavin flag
Born from a throne
Older (2) Rome
But violent prone
Poor people zone
But it's my home
All I (3) known
Where I got grown
But now it's gone
Out of the darkness
In came the carnage
Threatening my very survival
Fractured my streets
And broke all my dreams
Now (4) like defeat
To wretched retreat
So we strugglin'
Fighting to eat
And we wonderin'
If we'll be free
We (5) wait for some faithful day
It's too far away
So right now I'll say
When I get older

I will be stronger

They'll call me freedom

Just like a waving flag
And then it goes back
And then it goes back
And then it (6) back
(Oh oh)
So many wars
Settling scores
All (7) we've (8) through
And now there is more
I hear them say
Love is the way
Love is the answer
That's (9) they say
But we're not (10) dreamers
Of broken down grievers
Our hand will reach us
And we will not see you
This can't control us
No, it can't hold us down
We gonna pick it up even though we still
Struggling
(Au nom de la survie)
And we wondering
(Battant pour nos vies)
We patiently wait
For some other day
It's too far away
So right now I'll say

When I get older

3.

And there's a (13) (14) (15) the government

It's never too late to start

When I get older
When I get older
I will be stronger
