Fill in the gaps

Major-General's Song by Gilbert And Sullivan

I am the very model of a modern Major-General
I've information vegetable, animal, and mineral
I know the kings of England
And I quote the fights historical
From Marathon to Waterloo, in order categorical
I'm very well acquainted, too, (1) matters
mathematical
I understand equations, both the simple and quadratical
About binomial theorem I'm teeming with a lot o' news
(Hmm, lot of news Got it!)
With many cheerful facts
About the square of the hypotenuse
I'm very (2) at integral and differential calculus
I know the (3) names of beings
animalculous
In short, in matters vegetable, animal, and mineral
I am the (4) model of a (5)
Major-General
I know our mythic history
King Arthur's and Sir Caradoc's
I answer hard acrostics, I've a (6)
(7) for paradox
I quote in elegiacs all the crimes of Heliogabalus
In (8) I can floor peculiarities parabolous
I can tell undoubted
Raphaels from Gerard Dows and Zoffanies
I (9) the croaking chorus
From The Frogs of Aristophanes
Then I can hum a fugue
Of which I've heard the music's din afore
(Ooh, din afore, din afore Got it!)
And whistle all the airs
From (10) infernal nonsense Pinafore
Then I can write a (11) bill in
(12) cuneiform
And tell you every detail of Caractacus's uniform
In short, in matters vegetable, animal, and mineral
I am the very (13) of a modern Major-General
In fact
When I know what is meant by "mamelon" and "ravelin"
When I can tell at sight a (14) rifle from a
javelin

Fill in the gaps

And surprises I'm more wary at
And (16) I know precisely
What is meant by "commissariat"
When I have learnt
What progress has been made in modern gunnery
When I know more of (17) than a novice in
a nunnery
In short, when I've a smattering of elemental strategy
(Oh, that's a hard one, strategy Got it!)
You'll say a better Major-General has (18) sat
a-gee
 For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral I am the very model of a modern Major-General
•
(One mare time?))
(One more time?!)
 In <i>G</i> ent
In fact
When I know what is (19) by "mamelon" and
"ravelin"
When I can (20) at sight a (21)
(22) from a javelin
When such affairs as sorties
And surprises I'm more (23) at
And when I know precisely
What is (24) by "commissariat"
When I have learnt
What (25) has been made in modern
gunnery
When I know more of tactics than a (26) in a nunnery
In short, (27) I've a smattering of elemental
strategy
You'll say a better Major-General has never rode a horse!
For my military knowledge
Though I'm plucky and adventury
Has only been brought down
To the beginning of the century
But still, in matters vegetable, animal, and mineral
I am the very model of a modern Major-General!
